### SPLINDID WORK

ACCOMPLISHED BY REV. JOSEPH  
M. EVANS, OF THIS CITY, IN  
LETCHER COUNTY.

Rev. Joseph M. Evans, of this city,  
Presbyterian evangelist for Eastern  
Kentucky, returned home Monday  
night from a several weeks' meeting  
in Letcher county.

He, with Rev. E. O. Guerout, three  
years ago at a place called Blackey,  
held a revival. A gentleman named  
Isom donated four acres of land for  
church purposes, and now there is  
on these four acres Stuart Robinson  
College, a large dormitory, a chapel  
for large public gatherings and a  
Presbyterian church. Governor Mc-  
Creary delivered the dedicatory ad-  
dress when these buildings were open-  
ed. There are 140 pupils enrolled,  
with seven teachers. A teacher said  
some of the boys asked not to be re-  
stricted in their studies. This was  
granted, and they are advancing  
about three times as fast as students  
ordinarily do.

This meeting lasted sixteen days.  
The interest was widespread. About  
fifty gave expression to this. Twen-  
ty-two had united with the Presby-  
terian church and others had ex-  
pressed their intention to do so.

### MANCHESTER TO PLAY HERE SUN- DAY.

Manager Lee Dinger of the Mays-  
ville Regulars, has succeeded in get-  
ting the fast Manchester Button Mak-  
ers for a game here Sunday. The  
Button Makers will put the same team  
in the field they put against the Mays-  
ville Ohio State team a few weeks  
ago. Big "Doc" Covert will twirl for  
the Pearl boys, while Jack Frost or  
Lud McDonald will occupy the mound  
for the Regulars. As this game will  
probably be the last of the season,  
Manager Dinger is preparing to  
handle a large crowd.

### PLENTY OF TIMBER HERE.

Verily, the candidates grow apace in  
the Sixth Ward. There are now an-  
nounced Messrs. Godfrey Hunsicker,  
Charles Conrad, Hall Strode, Sherman  
Arm, John F. Fansler, and it is said  
M. C. Hutchison and Mr. Reese Wal-  
lingford are being groomed by their  
friends for the race. It is said there  
are still several patriots who are only  
waiting to see how affairs turn before  
announcing.

### NIGHT SCHOLARS MEET TONIGHT

PUPILS WHO WISH TO TAKE  
NIGHT SCHOOL WILL HOLD OR-  
GANIZATION MEETING THIS  
EVENING—SUCCESS OF MOVE-  
MENT SEEMS ASSURED.

This evening at 7 o'clock, the pupils  
who met with Superintendent Cap-  
linger and the Board of Education  
Monday night, will hold a meeting in  
the Maysville High School building,  
where permanent plans for the night  
school will be decided upon. Over a  
score of pupils were present Monday  
night and were unanimous in adopting  
the commercial course. The real  
work of the school will begin Monday  
night after which the night school will  
be held on Monday, Wednesday and  
Friday nights for eight months. Profs.  
William Jones and C. S. Dale will  
have charge of the school.

The Board of Education thought it  
best to limit the attendance to twenty-  
five scholars, as more than this num-  
ber would be too many for the fac-  
ulty, and some of the pupils might be  
sighted in the work. A small tuition  
of \$20 has been decided upon, payable  
in sums as small as \$2.50 a month.  
As only a few more openings are to be  
had, any one wishing to take the  
course should communicate with the  
Superintendent at once and let him  
make reservations. After the opening  
of the school on Monday night, no  
more scholars will be admitted, as  
the Board thinks that late students  
might interfere with the progress of  
the classes.

### KNIFE WIELDERS SENT TO PEN

L. C. HARDING AND JOSEPH CAR-  
ROLL SENT TO PEN FOR INDE-  
TERMINATE TERM OF FROM ONE  
TO TWO YEARS.

Tuesday, in the Mason Circuit Court,  
L. C. Harding and Joseph Carroll, the  
men who assaulted Frank Brown, of  
Ashland, several months ago, near Do-  
ver, were sent to the Kentucky peni-  
tentiary for a term of from one to  
two years.

Carroll and Harding at the time of  
the cutting, were riding a freight  
train near Dover; Brown was on the  
train with them, and in some manner  
they learned that he had a small sum  
of money. Harding held Brown while  
Carroll searched, cutting him with a  
knife. After they had robbed him they  
threw him off the train in the out-  
skirts of Dover. His cries brought as-  
sistance and he was taken care of and  
the police of this city notified of the  
affair. The officers searched the  
train as it came through here and  
arrested Carroll and Harding. Brown  
identified them as the men who as-  
saulted him in the examining trial,  
and they were held over to the Circuit  
Court with the above result.

### "LIKA DA MONKI"

A certain gentlemen of this city,  
who is the custodian of one of the  
public buildings, had rather a funny  
experience Tuesday morning. The  
gentleman had some business in one  
of the windows of the building and  
climbed up to attend to it. While he  
was up on the sill the window came  
down with a bang and left the cus-  
todian a prisoner between the window  
pane and the iron bars that guard the  
window against intruders. After yell-  
ing for about an hour, help finally  
came, and the "man-monkey" was  
freed from his cramped cage. Here-  
after we venture to say that the gen-  
tleman will stay out of windows with  
a patent catch.

### ATTENTION ELKS.

Regular meeting of the B. P. O.  
Elks this evening at 7:30 o'clock. Full  
attendance desired.  
All members urged to be present, as  
the vote will be taken on amend-  
ments to the constitution.  
C. E. GEISEL, E. R.  
W. R. Smith, Secretary.

### "OLD GLORY" OUT.

After a week's vacation, "Old  
Glory" is again at the top of the flag-  
pole in the north campus of the Mays-  
ville High School building. Keep it  
out, for a more inspiring sight than  
the national emblem could not be found  
anywhere for the school boy and girl.

### ATTENDING KORN KARNIVAL.

Mrs. T. J. Currey, of East Second  
street, is visiting Mrs. I. T. Foster  
and other friends in Portsmouth, and  
will take in the Korn Karnival. From  
there she will go to Newark, O.,  
where she will visit her daughter,  
Mrs. J. R. Seip.

Constable James McNamara left  
yesterday afternoon for Portsmouth  
to attend the Korn Karnival.

### A GREAT REDUCTION

In going over our stock we find that we are OVERLOADED, and have decided to REDUCE  
STOCK, and it goes at cost.  
This space will not permit us to list it all. One great bargain is 100,000 feet of an  
EXCELLENT GRADE OF OAK SIDING. This goes at \$2 PER HUNDRED. All other yard stock  
greatly reduced.

Don't miss this opportunity to get what you want, a lumber and building material at the  
lowest prices ever known in Maysville. Terms at this reduced price are CASH.

### MIL JOHN F. FANSLER ANNOUNCES

In today's Ledger you will find the  
announcement of Mr. John F. Fansler,  
of the Ryder Paint Store, for  
Councilman from the Sixth Ward. Mr.  
Fansler is asking his friends to sup-  
port him strictly on his merits.

Mr. Fansler is making the race  
strictly as a representative of the peo-  
ple of his Ward. He will favor noth-  
ing against the will of the majority  
of his people; he promises to be a  
representative and will cast the vote  
of the Sixth Ward in Council not as  
his own personal vote, but as the  
vote of his constituents, and he prom-  
ises at all times he will be found  
working for the interest of his Ward.

Mr. Fansler is one of Maysville's  
most progressive citizens. He has  
made a success of his business, and  
will no doubt make the same suc-  
cess of the people's business if in-  
trusted to his care.

### ARREST "CHARLIE CHAPLIN"

Tuesday afternoon, the police ar-  
rested Jesse Maddox and Earl Cham-  
bers, two lads about 15 years old, in  
the old Pastime building. The boys  
were heavily drunk when the officers  
arrested them and were having a  
jolly good time in the theater, stag-  
ging a high show of their own. Maddox,  
who is the official "Charlie Chaplin"  
of the moving picture theater man-  
agers of the city, was trying to outdo  
the great comedian when the police nab-  
bed him. The boys were placed in  
jail by County Judge W. H. Rice,  
where they will no doubt be held until  
they can be sent to the Reform School  
near Lexington.

Mrs. James Wise has returned to  
Dayton, Ky., after having been called  
here on account of the death of her  
uncle.

### SERIOUSLY ILL.

Colonel "Duke" Watson, of the Mays-  
lick neighborhood, is seriously ill in  
the Jewish Hospital at Cincinnati, suf-  
fering from kidney trouble. His legion  
of friends will regret to learn of this,  
and hope that he will soon be restored  
to health.

Rumors are current of the an-  
nouncement in a few days of Mr.  
William Kinsler, of the Fourth Ward,  
for Council. Should Mr. Kinsler an-  
nounce himself for that office, he  
would no doubt receive hearty support,  
and if elected, would make a good  
Councilman, as he has the qualifica-  
tions.

"THE HOME OF QUALITY CLOTHES"

The spirit of investigation is good for you We don't expect a man  
to buy our clothes simply because we ask him to get them here.

We do insist that the man who is closing his eyes to the clothes  
service we render is standing in his own light.

If you are not acquainted with the merits of such noted makes as  
R. B. Fashion; "Society;" Stein-Bloch; Hirsh-Wickwire; Michaels, Stern

made.

They are well worth your inspection.

There never was a better selection of suits in Maysville than here and now. Every woman who knows  
style and quality tells us so. Not one but a dozen customers who have shopped in Cincinnati say suits  
there cost \$10 to \$15 more than we ask for identical styles and materials. This is no unsupported state-  
ment but a well authenticated fact. We welcome comparisons—Make them yourself. Prices \$17½ to \$39.

the L. & N. train for Lexington, where  
they will take in the Lexington trots.

### RIVER FALLING RAPIDLY.

The river, after the sudden rise of a  
few days ago, is now rapidly receding  
and in a few more hours will be back  
in its banks. The work of pumping

the cofferdam at Lock and Dam No. 33,  
above this city, will begin in a few  
days, and soon things will be booming  
again at that place. The last flooding  
of the cofferdam caused the loss of so  
much time that it will now be almost

impossible for the contractors to catch  
up with the schedule of work set  
for this year.

Last day for discount on October 1  
gas bills.

## HEAVY TAX ON COUPONS IN ALABAMA.

The Alabama Legislature has passed a bill, which has since been signed by the Governor, placing a tax of 3 per cent of the gross receipts of coupon companies, the minimum tax being \$1,000 per year. In addition to this, coupon companies must pay a tax of \$500 for each county in which it operates in that state. The tax applies concerns in the coupon business and to any firm that distributes coupons with its goods.—Tobacco Journal.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## PRICES REDUCED

IN SEVERAL WELL KNOWN MAGAZINES—EFFECTIVE WITH NOVEMBER NUMBERS.

Several months ago some of the leading magazines started in cutting down the price of their publications and changing the form of the periodical. Among the first to make this change was McClure's, and now comes the announcement that with the November numbers Argosy, Munsey and Railroad Man's Magazine will be reduced from 15 cents per copy to 10 cents.

This is good news to the reading public, and is about the only thing that we know of being reduced during these days of "high-cost-of-living." We only hope that other luxuries and necessities will follow the example set by these publications, and fall into line by coming down from the sky.

If it is true as Alma Gluck, of grand opera fame says, that many of the girls of nowadays are brought up as idlers and that they marry at 18, as she did, friend "hubby" should feel highly complimented, to say the least.

The general impression seems to be that about the only reliable and lasting cure for hay fever is death.

## MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham, Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

The North Middletown meeting promises to equal, if not to excel, that of Providence.

## DANGER OF WAR

**AVERTED BY GERMANY'S COMPLETE DISAVOWAL OF HER SUBMARINE ACTS—WASHINGTON OFFICIALS BREATHE EASIER.**

Washington, October 5.—Count von Bernstorff, the German Ambassador, gave Secretary Lansing today oral assurances with respect to the case of the Arabic that points to a satisfactory settlement, according to official information obtained after their conference.

### What Bernstorff Said.

Washington, October 5.—Count von Bernstorff, the German Ambassador, came today from New York to Washington to confer further with Secretary Lansing over the Arabic case.

The ambassador talked less than half an hour with the Secretary. "Oh, everything is all right," he said, as he came smiling from Secretary Lansing's office. "I can not throw light on the subject," he said. "I would rather have any light come from Secretary Lansing."

"How soon do you expect something definite regarding the Arabic?" he was asked.

"I am not expecting anything," he replied as he drove away to the embassy.

### MARY MARGARET GILDEA.

Mary Margaret Gildea, aged 41, passed away at the home of her mother, Mrs. John Gildea, on East Third street, Wednesday morning, after an illness of several months' duration. She is survived by her aged mother and one brother, James, of this city. When The Ledger went to press the funeral arrangements had not been announced.

We noticed a good way of getting rid of rats the other day, and we hand it on to our farmer friends: Collect some thin chips, pieces of shingles or tin, and pour over them enough molasses to cover them well. Sprinkle dry lye over them and place them in every rat hole you can find. Like the coy maiden, their love for you will soon cool and they will seek other pastures for their depredations.

Portsmouth's water works reservoir, weakened by excessive rains, collapsed Sunday evening, over 6,000,000 gallons of water running out and doing considerable damage.

Mrs. Marshall Creekbaum and Miss Lizzie Petry were in the city Tuesday, en route to their home in Ripley, after attending the funeral of Mr. Fred Roser, at Lexington.

Mrs. G. W. Woodward, of Germantown, was in the city Tuesday, en route to Portsmouth, where she will visit friends and relatives for a few days.

During the month of September there were 842 books taken out of the Public Library. During the month there were 1,185 visitors.

Mrs. W. L. Stickley has returned from a visit to relatives in Covington and Cincinnati.
